

Nature Reliance School Central Kentucky

offers
**Scout/Tracking
Basics**

April 20,21,22

Nature Reliance School will be leading our highly acclaimed scout/tracking class. This class will offer help train the participants of stealth and unseen movement through the wilderness. Highlights of this class will include study of camouflaging sitting still and in movement including natural and purchased camo gear. We will train you in the art of stalking both solo and in teams for both observation, reconnaissance. We will utilize teams to hunt and chase one another in an attempt to be able to move from one area to another without being seen. Particular attention will be given to tracking and other spoor observation and understanding. For those that have attended in the past, we will amp this year's class up with shadow scouts (graduates of our previous classes who will act as antagonists, the entire weekend) as well as paintball guns and their safe use. We also hope to add a rappelling element to this class this year.

(For more information regarding Nature Reliance School please see naturereliance.org)

Class Fee is \$150.00
(\$100.00 if received by 03/20/12)

Class instructor is Craig Caudill.

Craig Caudill, director of Nature Reliance School, has spent a lifetime in the outdoors. Hiking, hunting, exploring, studying and teaching. He has also spent several lengthy sabbaticals "living off the land" and learning how to be a good steward of our natural resources. He is a published author and on the topic of survival in many magazines and has been featured in several magazines and Kentucky Educational Television. Mr. Caudill has also continued his study and learning with notable instructors throughout the country including Richard Cleveland (Earth School), Dave Canterbury (The Pathfinder School), Rob Speiden (Nature Awareness Tracking School), Tom Laskowski (Mid-West Native Skills Institute).
